Everest Insurance® is dedicated to providing a prompt, thorough and professional claims service. Timely submission of Loss Notices both complies with the terms and conditions of the policy and assists us in providing quality service to our policyholders. Through Everest's direct-handle claims unit, our dedicated team is available to review and process claims in a timely manner.

Benefits

- Ease of claim reporting; one phone number and email for all lines of coverage.
- Claim number is provided at initial claim reporting. Provides confirmation that a claim is on record with the company.
- Experienced claims professionals that know and specifically support the forestry segment.
- Everest has contracted with independent field adjusters that are immediately notified when a claim is reported. Adjusters come to your damaged vehicle for an on-site inspection. They are countrywide, even in remote areas.
- Adjusters are equipped with certain on-site payment capabilities. Faster payments mean faster repairs and reduced vehicle storage costs, getting your vehicle back on the road.
